

Edgecomb Park, Stowmarket

The site is positioned upon the outskirts of Stowmarket so you can enjoy the convenience of town centre amenities whilst appreciating the quiet & picturesque setting within the Suffolk countryside. Stowmarket is the largest town in the district of Mid Suffolk. It sits conveniently on the major trunk road of the A14, equidistant between Ipswich and Bury St Edmunds, with excellent rail links to London Liverpool Street (1h 25mins), Cambridge (1h 10mins) and Norwich (35mins).

The town centre, with a unique blend of national and independent retailers has much more to offer than you might first think. There is a blend of family run specialist stores and national chains that provide a wide range of merchandise. It is also host to a popular street market every Thursday and Saturday & the Farmers' Market is held on the first Friday of every month selling locally sourced quality produce.

With a number of sports & leisure facilities on offer including golf, cinema, gyms, leisure centre, along with football & rugby clubs to name but a few - there will be plenty to keep you occupied. Alternatively, you might opt for a more scenic & tranquil setting, taking advantage of the nearby countryside. Or maybe explore the history of this exquisite ancient town.
